Piero Lissoni for **FLOS** introduces Clara, a surface-mounted light for both wall and ceiling installation. The round proportions and opal white finish combined with a special LED distribution allow glare-free illumination. An optional external ring in lucid black, copper, or chrome completes the look. Mia Collection by Jean Nouvel

The Mia Collection is characterized by calm, essential lines and was created to be extremely durable and practical; a collection that will become a future contract icon. Designed for the outdoors, Mia is easily adapted to an interior application. The lightweight structure, shape of the seats, as well as the tilt table top capability provide simple handling and storage.

it's in to be out®
