GUIDE

THE NAFEM SHOW 2019 • ORLANDO

Booth #1457 | hoshizakiamerica.com

Come sit in our restaurant booth, grab a water at our hospitality station, sit awhile at our bar and check out our convenience store. Hoshizaki has the foodservice equipment you need for whatever segment you're in. We will have dealer training before the show and presentations throughout. Check out Steelheart Refrigeration Series Pass-Thrus, Dual-Temps and more. Plus don't forget to stop by the MODwater dispenser for the best sparkling water on the show floor.

Booth #3760 | irinoprofessional.com/usa/

Stop by to learn why Irinox is the leading manufacturer of blast chillers and shock freezers in the world. Learn from our team the unmatched ability of MultiFresh systems to effectively work with a complete range of foods and preparation processes to provide food service operators with a trusted kitchen assistant. We will be featuring a wide range of our Italian-made reach-in blast chillers and shock freezers, and our new self-contained roll-in unit which offers ease of installation and accepts all combi racks. Experience, innovation and quality in every detail.

Seating with Style™

We offer a wide selection of outdoor chairs, tables and lounge items which provide comfort, relaxation and enhance the ambiance of any setting. Through precise construction, choice of materials, demanding tests and standards, our products support heavy-duty use common to the foodservice and hospitality markets.

"Made in Italy" at its best.

PRODUCT PREVIEW Steelheart Single Section Refrigerator

As anyone that runs a commercial kitchen knows, only the strong survive. Just like our legendary ice makers, Hoshizaki has designed the new Steelheart Refrigeration Series to survive conditions that would send lesser equipment to the scrap yard. With uncompromised durability, energy efficiency and redesigned refrigeration system with ducted airflow for optimal performance, Hoshizaki upright, single section reach-ins have nearly 10% more interior storage. Nothing says durable like stainless steel on the inside and out. Hoshizaki's Steelheart Refrigeration has the features you want, at the price you need.

PRODUCT PREVIEW MF 100.2 SC

Irinox proudly introduces its MultiFresh MF 100.2 SC, self-contained roll-in blast chiller and shock freezer. This new model offers ease of installation, is capable of accepting universal combi or speed racks, and is available as a standard unit, or with the PLUS low

temperature cooking, proofing, thawing, pasteurization features. MultiFresh technology allows you to work smarter, and boost profits with customizable programs to fit your specific needs.

Booth #4530 | marraforni.com

Marra Forni is the fastest growing manufacturer of handcrafted brick ovens for commercial and residential use, including static and revolving deck ovens. Whatever your preference of combustion — wood, natural gas, propane, electrical, or a combination — we have it. In addition, we offer refrigerated prep tables, dough mixers, venting system components, exhaust fans, and cooking tools.
