# Tami

design by Patrick Norguet

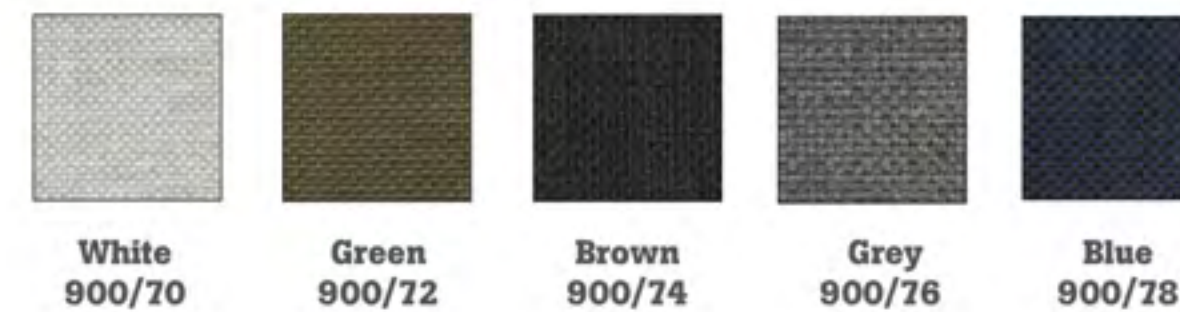

The Tami Collection redefines outdoor elegance. With its clean line and modern finishes, this attractive lounge collection is the perfect choice for hip hospitality environments and relaxed corporate entertainment spaces. Tami's interchangeable parts make it effortless to create new seating configurations, while its durable construction ensures it can withstand even the harshest elements. Made of an aluminum alloy and stainless-steel frame with recycled bamboo slats, the line is both earth-friendly and easy to clean. When it comes to design, comfort, and flexibility, the Tami Collection has it all and is sure to be the focal point of any outdoor space.
