Miky Collection by Florent Coirier

The clean and defined lines of the Miky steel chair collection are simple and show great personality. The ample seat and backrest provide maximum comfort and durability. The unique shape of Miky's side chair, armchair and barstool make this collection a fitting choice for a variety of settings. Available in a sophisticated color palette, all chairs are stackable and convenient to store.

70 years of manufacturing
experience in outdoor furniture.
"Made in Italy" at its best.
